

THINK BEYOND THE GREEN

THE PERFECT VENUE FOR YOUR NEXT EVENT

TESTIMONIALS

“Wow! What a fantastic venue for a work team function. Twenty of us attended and we mixed everyone up into five groups and all played golf on the same Hawaiian course. We had individual prizes for nearest to the pin and longest drive. There was also a Team prize for best score. Overall we had a wonderful time and there was quite a bit of discussion at work for a few days afterwards. Well done to the X-Golf Avonhead team. We would totally recommend hiring the place for a work function.”

“We had a great day at X-Golf Avonhead. The team gave us great service throughout the day, from the welcome, the set up, lunch and the great coffees by Jo, it was awesome. We all enjoyed the golf and everyone in our group had rave reviews, and as I said above, it was your service that really made the experience, professional and efficient – keep up the great work!”
